

# **CREATIVITY IS ESSENTIAL FOR SUCCESSFUL PROJECTS!**

Come join us for a supercharged networking breakfast to celebrate International Project Management Day 2013 and unlock your hidden creativity

**BREAKFAST EVENT: 14<sup>TH</sup> NOVEMBER 2013, 7-9AM**

**WHETHER IT'S DEALING** with the challenges of organisational change, developing more effective communication with stakeholders, finding solutions for complex problems or motivating your team – being more creative will take your project management skills to a new level.

**TO FIND OUT HOW** come and hear our our keynote speaker **Dr Amantha Imber**, founder of **Inventium**, an innovation consultancy that was recently awarded the *BRW 2013 Client Choice Award* for Best Management Consultancy in Australia. Amantha has a PhD in organisational psychology and has helped companies such as Coca-Cola, LEGO, McDonalds, Qantas and many more innovate more successfully.
